Robert and I have been living together four years now. I remember that at first he wouldn't tell me what he did for a living, but he kept dropping hints that he had a most unusual job. Since he swore it wasn't illegal and he didn't seem really ashamed or guilty, I decided that he'd tell me all about it in his own good time.

But I must admit I began wondering, what could it be? Another thing that puzzled me was that he often spoke about gay men, but unlike most straight men I'd ever known he didn't seem hostile or insecure. I just couldn't put my finger on what my intuition was picking up. After all, I knew for sure he wasn't gay because we had sex on our second date. But I soon began to realize he could have been bisexual.

I remember that time he walked into my apartment looking so clean and hot. We had a great dinner and even after we began to have sex, hours later he exhibited incredible staying power. I asked him on the third date if he was bi, and he said he hadn't tried it but if the circumstances were ever right and the partner (or partners) were right, he'd try it. I still didn't have a clue.

Then he invited me to a show he said some friends had recommended highly at a hot club. Of course I'd heard of it but I'd never gotten around to going; it was more of a tourist attraction. Robert got us tickets and I sort of joked with him about taking me to see a transvestite girlie show, where the girls were really boys. You know, like maybe he was moving toward that bisexual curiosity of his. He laughed a lot.

It was our seventh date—or it was going to be. Then he called at almost the last minute and said he wouldn't be able to make it; an emergency had come up. I was really annoyed until he asked if I would mind going to the show alone and he'd meet me right afterward for a great dinner. So I guess I was curious enough to go. Besides, it was better than staying home mad-and-alone.

The show was unlike anything I'd imagined. Since it was near a naval base I'd heard lots of sailors went, so I thought it was like a topless or nudie joint but it was very tasteful. There were beautiful women; I knew some were men but I couldn't tell which. It was fascinating. I couldn't take my eyes off the stage. The costumes were beautiful and so was

Cross Talk

My boyfriend,
the female impersonator

the music. There was singing, dancing, and some comedy bits. I mean, it was a great evening's entertainment. I kept thinking how much Robert would have enjoyed it, how surprised he'd have been.

Then I went to the fancy restaurant where he'd said to meet him. He was on time and he asked how I liked the show. I raved, of course. He said he'd seen it recently and he especially liked one tall slinky brunette. He described her, and I remembered. I thought she was the second most attractive woman on the stage, after a lovely Eurasian type. When he told me both of these women were men, I didn't believe it. I mean, how did he know?

To make a long story short, Robert turned out to be the brunette! But how could my very masculine man turn into such a stunning woman?

He explained that they use surgical tape, padding, makeup and contouring, expertly designed clothes and wigs, and that they've studied real feminine movement and behavior, for the stage. They were not drag queens or men pretending to act like women, he insisted.

I still didn't believe it, until I actually went backstage. I wasn't the only real female backstage,

though I didn't feel nearly as pretty as some of the make-believe females, or as delicate and wispy. I saw Robert in his costume, and I saw him remove everything-until he looked like himself. To conceal his cock and balls he wears a special cup that pushes his balls back in and curls his dick up under the scrotum, which allows him to wear something close-fitting onstage.

I was in a state of shock for days and we didn't see each other, while I sorted out my mind. On the one hand he was a powerful, handsome hunk, someone I really liked. But on the other hand he was a female impersonator for a living, and he did it beautifully. Finally I met with some of the wives and girlfriends of other impersonators and they explained their feelings, how they'd adjusted and how proud they were of their guys. It was difficult to believe but true, that most of the female impersonators were straight.

That was four years ago, and every time I've seen Robert onstage since then I've marveled at how good he is. And it is exciting, even titillating, to know that sailors and out-of-town guys are getting a rush from watching Robert, thinking what a

beautiful, sexy “woman” he is! It’s so wild; everyone desires Robert—men and women, straight or gay—they all want him, and he’s all mine.

I was never attracted to anything kinky or to transvestites, but Robert doesn’t dress up except for work on the stage. But in the last year or two he’s put on some of his gear in bed with me at my request, and it’s become more of a thrill than I ever could have imagined.

To give you one kinky little example, he puts on his wig while I give him a nude massage. I know how to do it well (I took professional training once). But I don’t use a towel; I use my naked body for a towel and rub my pussy on him while he’s lying on his stomach.

I’m turned on something fierce to his perfect naked male body—and his lovely head of female hair. When I finish the massage I kiss his fresh buns and then I get a little tongue-rimming action. It psyches me out because when I look up there’s this woman’s head. Lately he’s put on lipstick and some eyeshadow but he still looks very manly, although he has feminine hair, painted lips and mascara eyes. It’s not really like I’m doing it with a woman, but it is different. It’s a kick! We both enjoy it and it somehow frees our minds to try whatever we want in both foreplay and fucking.

When Robert is asked what he does for a living, he says he’s an entertainer or a freelance writer, depending on how uptight the people are. Some friends know he works at the club, which has a good reputation, so most people around town aren’t so freaked

out about it. I take every chance I get to brag about his talent and how since the Eurasian guy left—he’s the best-looking chick on the floor. In fact, he’s better looking than any of the real women who work there!

Most of his clothes and gear he leaves at the club. But for our personal pleasure we go to a sex shop a couple of times a year (mostly for Robert’s fun, not mine). Personally, I don’t much like underwear, though I will wear black stockings; they make me

feel sexy and Robert grooves on that. But I like him in those frilly see-through panties. I mean, if Rod Stewart was able to wear girls’ undies on stage, why not my Robert? And when I give him oral, I prefer it if he stays in his panties—they’re the kind with a slit in them, which is necessary for Robert’s big dick.

Once on my birthday, to give you an idea of some of our different activities, he put on all his makeup and he fucked me real hard and long. It blew my mind, because when I’d open my eyes and look up there was this pretty face; of course, it wasn’t a terribly feminine face because he didn’t have the tapes or the wig and was close-up, but it was a kick.

You’ve probably guessed I sometimes have bisexual fantasies, but I’m not a lez. I wouldn’t be able to handle sex with another girl. What’s always missing is a dick. I need dick to have fun. And when Robert is rigged up, whether it’s just lipstick and a few sequins on his eyelids like some rock star, or whether he has on a bra and wig and full makeup, it never affects his behavior or performance. He’s

always 100-percent man, which I love. Yet it's different; it's not stale, you can't take it for granted. I've tried to get Robert to go out to a restaurant with me as a girl, but offstage he won't ever be seen in public as a female.

I'll tell you what I like him to do for me, then what he likes me to do for him. He really has no particular demands, except black stockings sometimes and lots of sex. That he demands! I love to have him eat my pussy of course, and sometimes he does it wearing my false eyelashes, which he uses to sort of tickle me down there. And he wears eyeshadow, but not lipstick, because he can't stand the taste of it. But I sometimes put lots of lipstick on and then kiss his one testicle hard, so there's a sexy lips print on it, which I like to see as I lick Robert up and down on his shaft. We're big into oral sex, both giving and receiving.

But one other thing he won't do for me is let me use a dildo to screw him; that's queer, to him. Like I said, he's very macho in lots of his outlook, yet it excites me to think of using a dildo on my macho lover, the female impersonator. A few times I've had him wear spiked high heels while he stands in the doorway and I suck him off and look down at his shoes. I like laughter and humor in sex, and that is amusing, especially when he comes. He has real shapely legs that are not hairy, and when he starts coming he pushes my head into his groin and I struggle, but he overcomes me and my eyes dart down at those nice legs and sexy shoes. You've got to experience this to know the feeling I mean, but it is a turn-on. Then I

want him to fuck me silly, but he's already come so he can hold out absolutely forever. Our sex is sooo good!

What does he ask me to do for him? Let's see. He's so nice and undemanding, but he likes me to sit on his cock, which is really fun for me, and play with myself. If he has on his padded bra I can reach out between ups and downs and squeeze his tits. Yes, he does have tits—sometimes hard and muscular, sometimes soft and fleshy. Squeezing them makes

me laugh every time because there's this little popping sound. Plus, he'll have on some makeup and maybe one of his wigs. Actually, I like my brunette best as a blonde, especially on Sunday when he hasn't shaved and his stubble shows. The dichotomy of it is enchanting.

For a kick, a few times I've put on a fake mustache or even a bowler hat like Charlie Chaplin wore and a bowtie while Robert's wearing something frilly. And then we go at it, banging each other while standing up, and I feel his ass and he's reaching up and squeezing my breasts. When we kiss like this sometimes my mustache gets on him and his lipstick and makeup on me, and then things are messed up

and really funny and sexy.

Robert does the work mostly, but he's the kind of guy that's always performing and he plays both his male and female roles perfectly. You know, most sex is the psychological part and your partner has to excite you and maintain your interest. As you can tell and see why, I'm sure Robert does just that, and all for me.

I had invited my new neighbor Harlow, over the other day to make some blueberry muffins with me. She brought the fruit and I had everything else. While the muffins were in the oven, we started talking and next thing we knew, we were eating each other out on my kitchen counter.

YOU WANT ME!

Nobody likes to be lonely, especially me. With my boyfriend I found myself being alone most of the time anyway. So yes, that led me to stray. I swore it would be a one time thing, and it was. One time with him, one time with another guy, one time with a girl, and one time with another guy. Now I'm not so lonely anymore.

I WONDER HOW THIS DAY IS GOING TO END?

A hot, hard cock slides easily between my thighs and presses against my wet swollen clit, lingering and retreating.

Another Reality

This is a real story and it happened to me.

I was in the empty laundry room of my apartment building and the hum of the few washers and dryers lulled and comforted me after a long day at work. To pass the time, I put on my headphones and settled into the sounds on my music player. I closed my eyes and relaxed against the washer, lost instantly to the music and the vibrations from the washer which enveloped me.

Not ten minutes into it, my mind wandering from song to song, I leaned forward across the washer, swaying my hips to the beat. Suddenly it was then that I became aware of the lightest of touches against my neck, and then another on my shoulder as soft hands reached around moving against me. I feel a warm, hard body as the straps of my dress slip from my shoulders to my arms. Soft kisses on my cheek, neck and shoulder and I arch my back and turn my head around towards the warmth.

My eyes are still closed when warm lips find mine. First softly they kiss me, sweetly caressing mine, then more urgently until a searching tongue finds its way between my lips and is met with mine. The hands leave my shoulders. One finds its way inside my dress to my breasts; nipples now awakened by the rough touch, are pinched and tormented. The other hand slips lower, just barely brushing against stomach until it slides my hem up to reveal my panties and then slips inside the elastic band.

I find myself grinding against a sudden hardness pressing against my lower back and at the same time against the two fingers that have opened me up to allow the third to work expertly on my clit. I moan desperately as it is slowly dipped inside then back again precisely rubbing across its now slick target. Like the clothes in the washer in front of me,

I am being worked to lather. I cannot contain a shiver as I feel my undies peeled to the side from behind and I am lifted slightly.

A hot, hard cock slides easily between my thighs and presses against my wet swollen clit, lingering and retreating. I cry out as I am driven crazy by the sensations and my legs are trembling – and then when strong hands hold me by the hips, the thrusting begins at last. I am pressed hard against the washer which is now vibrating madly on its spin cycle, sending delicious sensations through me from the front while I am riding against him.

The soaked lace from my panties is rubbing across my clit with each thrust sending tremors through me and I feel myself clamping down onto his cock as I start to cum. Crying out I fall forward onto the machine which finished its spinning, just as I did.

Suddenly the earphones are roughly pulled from my left ear. A woman's voice is asking me if I am alright. I open my eyes and notice it's the manager. I say, "Yeah, yeah. I'm alright." as I look around the room searching for that warm, hard body.

I Want To Eat Him Up

We had just come home from a wonderfully romantic dinner at a local Chinese restaurant. In between bites we were so engrossed in each other we could have fucked right there in the restaurant. Only having been together a month, the romance was new and the sex was out of this world. We took our sweet time getting back to his place, but lost absolutely no time in getting into his bed.

I'd only been with a few other guys, but this

one really rocked me. I love everything about him. I want to eat him up, and between you and me, I think I might just end up marrying him. I'm 19 and he's 20. Back at his place, we freshen up and jump into bed. Wasting no time, I start playing with his cock. It got amazingly rock hard rather quickly. His hardness was a happy surprise for me because all of a sudden he gets on top of me and starts screwing me furiously. Instantly, my body responds to this roller-coaster ride and my tongue just starts tracing over his neck and face as we do it. My mouth wants what my pussy has, but for now I let the greedy pussy have her way with him.

ates to his tongue. He mimics his fingers, but he knows it's softer and wetter. It too swirls around my little button and flicks it as it passes by.

Well, I got a sensation I never had before. I think a different type of climax occurred when my pussy was approached from the back rather than the normal way from the front. What's amazing is that it's the exact same spot being stimulated. I wish I could tell you exactly what he was doing, but I was a moaning, sweaty limp mess by this point.

I think he was fingering my ass while something else was softly pushing into my pussy lips and engaging this special spot

There's a thing that happens with his cock that amazes me since I've not been around that many and have found those I've been with as different as the guy they're attached to. When he fucks me, I get a sensation as if it is telescoping into my pussy. As if it is one length outside me, but seems to grow longer and wider as he goes deeper into me. And that's what happened tonight. That telescoping cock did its perfect thing and I came with this wonderful gushing wet feeling all over. It was simple, but oh so effective.

There was one other thing he did that amazed me, too. Something I never experienced and it happened just as I thought we were winding down for the night. I was still lying beside him and had probably already had about a dozen or so orgasms, though they're kinda hard to differentiate when they're the kind that blend together into one very long one. We're laying there basking in our latest climaxes when he rolls me onto my stomach and pulls my hips up so I'm now on my knees with my ass in the air. Then he starts playing with that tender spot between my clit and vagina after parting my labia. He starts with his fingers playing around the area with little sweeps of the fingers, soft pinches and an occasional probing entry into my wetness. Then quickly he gradu-

just below my clit. It gave me this soft, creamy feeling that was really sweet. Much of this night was like that – creamy and sweet. I kept having orgasms from the slightest wisp of a touch in just the right places. Sometimes he sucked on my breasts and nipples, and when his mouth wasn't there, I'd get this wild suction feeling, as if my entire breasts were being pulled up into a giant sucking mouth. Then I knelt over him and we started kissing really deep and frantically while he fucked me with his thumb and his other hand played with my ass.

When it's wildly erotic like that, I like the ass business soft, and the clit play right on the spot. I also like the strong, pointy feel of his tongue in my mouth. His tongue makes me want to put my pussy right over it and have him suck and lick it until I can't hang on any longer.

I have to admit that the rest of the night was a blur. As I panted to catch my breath and kissed him goodnight, I declared the evening almost entirely indescribable but here I am sitting in the next room about to write you this letter. I hope that I can describe it well enough so you can appreciate a good lover. But now that I've finished, I think it's time to wake him and do it all again! Bye!!!

– Jessica T., Long Beach, CA
